

How to Access NAVIS SPARCS N4 - General Public

Welcome to the Port of Port of Spain new container terminal system **Navis SPARCS N4**.

The general public can access information on their container from our website at <http://www.patnt.com>

1. Click on the  Logo located on the **right-side** of the homepage.

The following window will pop-up

2. Click on the **'Keep'** Button and allow JAVA to load.

(JAVA **must** be installed for SPARCS N4 to work).

The NAVIS SPARCS N4 log-on screen will appear.

3. Enter the following for Username: **publicinfo**
Password: **publicinfo**

4. Click on the **'Login'** Button.

5. From the menu at the top, Click on **'Unit'** and select **'Find One Unit'**.

(Unit refers to Container. You must know your container number).

6. Enter your **container number**. Then Click on the **'OK'** Button.

The Unit Inspector with your container information will appear. (See example to right)

7. Click on the red **'X'** at the bottom-right when done. To query another container go to **step 5**.

8. Click on the **'X'** at the top-right of screen to **Exit** Navis SPARCS N4.
