## Bulletin 365

03 November 2022

Dear Haulers,

### **Re: Parking of Trucks and Trailers in and around the West Gate area**

PPOS wishes to reiterate that the area east of West Gate, i.e. south of Caribbean Bulk Ltd and Massy Stores Head Office, is designated parking for Port Authority employees only. Hauliers currently using this area for the parking/storage of trucks and/or trailers are impeding the Port Authority's employees' access to their designated parking. Additionally, trailer parking and manoeuvring in this area can potentially cause damage to personnel and Port property.

Please be informed that the parking of trucks and/or trailers in these areas will be prohibited with effect from November 10, 2022. Failure to adhere to this notice may result in the removal of any unauthorised equipment at a cost to be borne by the owner of the equipment. The Port Authority will not be held responsible for any unauthorised equipment on the facility.

We thank you in advance for your cooperation.

Respectfully,

Patricia Persad  
Divisional Manager, Operations (Ag.)
