## Bulletin 367

21 December, 2022

Dear Stakeholders,

### Renewal of Vehicle and Wharf Passes

The PPOS recognizes that many of our Port Users will require renewals for their Personal and Vehicle passes within the next two (2) months.

Invalid or expired Personal/Vehicle Passes will prevent access to the PPOS facility as well as deny an individual the ability to make an appointment for the delivery of cargo using our Navis Terminal Operating System.

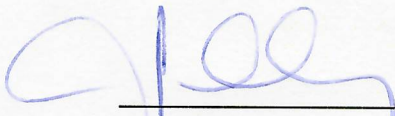

The PPOS encourages all stakeholders to renew expired passes at the Port Police Headquarters – Wharf Pass Office from Monday to Friday between the hours of 7:00 am to 4:00 pm.

Please contact the Wharf Pass Office at 623-2901 ext. 267, during the above-stated hours should you have any questions regarding your Port Pass renewal. You can also send us an email at [SecurityWharfPass@patnt.com](mailto:SecurityWharfPass@patnt.com).

The PPOS expresses a heartfelt thank you to all its Stakeholders for their continuous support throughout the year and we wish you continued success in all your business endeavours.

Season Greetings!

Respectfully,

---
