Bulletin 278

06 April 2020

Dear Stakeholders,

USE OF FACE MASKS REQUIRED FOR ALL PORT USERS

In line with current international guidelines recommending the use of face masks to reduce the risk of Covid-19, the Ministry of Health has most recently recommended that members of the public should wear masks once they go outside.

In this regard, all persons are required to wear masks when visiting the Port, **with effect from Monday 6th April 2020**. Please note this is a requirement for entry to all areas including:

- The Administration Building
- The One Stop Barrel Shop
- The Wharf Pass Office and Security Building
- West Gate
- Container Terminal

The Port of Port of Spain takes the well-being of our employees and stakeholders with utmost seriousness as we all battle this virus. While we carry out our duties diligently as an essential service, we will implement all measures to safeguard our valued employees and customers while on our premises.

We will continue to serve you and also do our part in ensuring that we, together with the rest of the country, flatten the curve of the Covid-19 pandemic. Thank you for your understanding and adherence to the requirement to wear face masks when you come to the port.

We pray that you and your loved ones keep safe.

If further clarification or information is required, please do not hesitate to contact **Mr. Ricardo Gonzales** E-mail: ricardog@patnt.com 623-2901 ext 257 or 740-3805.
