

HEALTH SAFETY AND ENVIRONMENTAL POLICY STATEMENT.

The Port of Port of Spain (PPOS) is committed to conduct business in a manner that protects the health and safety of all its employees, contractors, customers, the public and to prevent adverse environmental impact. PPOS aims to comply and implement all legal and statutory requirements stipulated in the OSH Act 2004, amended by Act No. 3 of 2006.

PPOS will fulfil this responsibility by applying effective HSE management systems and policies to all port activities and operations.

In particular PPOS is committed to develop and implement management and control methods, which prevent or minimize risk. These methods will be regularly reviewed in order to ensure that PPOS continuously improves its HSE performance.

PPOS recognizes the value of communicating these objectives to staff; tenants and other people linked with its port through regular meetings with the workforce and the issuing of informative bulletins.

PPOS is also committed to reduce/eliminate the risk of personal injury in the workplace by promoting a healthy safety culture through training and safety awareness programmes.
