Bulletin 331

18 May 2021

Dear Stakeholders,

PPOS VESSEL OPERATIONS WORKING HOURS ADJUSTMENTS

The Port of Port-of-Spain wishes to announce the temporary revision to its vessel operations at the quayside from **today** -Tuesday 18th May 2021, until further notice.

Vessel operations hours will be adjusted with immediate effect as follows:

- Shift A: 0700 hours to 1300 hours
- Shift B: 1300 hours to 1900 hours
- Shift C: 2100 hours to 0500 hours

Please note that these changes are imperative to safeguard the health and safety of our employees given the alarming spike in the national Covid-19 infection rates, and for convenience in the current State of Emergency with the imposed curfew.

We wish to reassure all stakeholders that the operations are monitored continuously, to ensure service levels remain adequate as the operations demand.

If further clarification or information is required, please do not hesitate to contact Patricia Persad E-mail: patriciap@patnt.com at 623-2901 ext. 257 or 686-4141 or Robert Ramsubhag E-mail: robertr@patnt.com 623-2901 ext. 180 or 678-2684.

Respectfully,

CEO PPOS (Ag.)
