Further to Bulletin 396, the Port of Port of Spain wishes to advise that operations have resumed as of 7:00 AM, February 23rd, 2024, across all operational areas. However, certain areas may experience reduced service levels due to limited manning capacity.

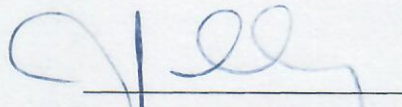

At this time, gate operations are fully operational, facilitating the receipt and delivery of containers.

PPOS will maintain continuous monitoring of all operational areas, with updates to be communicated as necessary.

For further information or clarification please contact our hotline at 683-4253.

We appreciate your patience and understanding in this matter.

Respectfully,

CEO PPOS (Ag)
