Update on the Operations at the Port Authority of Trinidad and Tobago

The Management of the Port Authority of Trinidad and Tobago wishes to inform its stakeholders and customers that, as of 2024 October 9 at 7:00am, all operational areas at the Port of Port of Spain have returned to normal workforce levels.

The Inter-Island Seabridge (Trinidad and Tobago Inter-Island Transportation Co.) experienced no disruptions, and operations are ongoing.

The Management and Team at PPOS is working diligently to clear the backlog of vessels and containers as quickly as possible.
