Bulletin 436

9 December 2024

Dear Stakeholders,

Trinidad and Tobago Electricity Commission Planned Power Outage at the Port of Port of Spain

The Port of Port of Spain has been informed by the Trinidad and Tobago Electricity Commission of a scheduled electrical outage on 10 December 2024 from 0900 hours to 1200 hours.

As a result, the following operations will be suspended during this time:

- **Spectrum:** No deliveries
- **Scanner:** No deliveries
- **Shed 10:** No deliveries
- **Vessel operations:** None

The Port of Port of Spain advises that all operations will resume at 1200 hours upon completion of the maintenance works.

This outage is necessary to facilitate routine maintenance and system upgrades, ensuring continued reliability and safety.

The Port of Port of Spain sincerely apologizes for any inconvenience caused and appreciates your understanding.

Kind Regards,

Marketing/Public Relations Department
