### About Us

Established by the Port Authority Act 51:01 in 1961, the Port Authority has direct responsibility for the Ports of Port of Spain and Scarborough, which are divided into three Strategic Business Units (SBUs). The Port of Port of Spain (PPOS) focuses on cargo and container handling, facilitating international trade with efficient logistics. The Trinidad and Tobago Inter-Island Transportation

Company (TTIT) manages passenger and ferry services, ensuring seamless inter-island transport between Trinidad and Tobago. Lastly, the Port of Spain Infrastructure Company (POSINCO) is dedicated to infrastructure development, modernizing port facilities to enhance efficiency and support economic growth.
